## Councillor

**Working for Mount Hermon East all year round**

Dear Resident,

My name is Carl Thomson and I am your Conservative candidate for the local elections this year in Mount Hermon East, having served as your councillor for the last four years.

Over the weeks ahead I am going to be out knocking on doors and talking to residents to hear your views on what more we should be doing to improve our area.

The Conservatives on Woking Borough Council are working very hard to regenerate the town centre, keep council tax down and deliver first class services.

We have also recently completed the Hoe Valley Project which has done the invaluable work of protecting 200 local homes from flooding.

In the next few years there will be

more work done to regenerate Woking, including a new indoor market opening this year at Peacock Walk, and the exciting Victoria Square plans which will see the old market site developed into a new town square with shops, apartments and the return of Marks & Spencer to Woking.

In Mount Hermon I have helped residents campaign for more effective speed restrictions and campaigned against inappropriate over-development. As Chairman of the Licensing Committee I have taken a particular interest in reducing crime and anti-social behaviour in our borough.

Perhaps you would consider filling in this short survey and returning it to me via the freepost service. I would really value your opinions.
