

Dear Resident,

Thank you for your support in this year's election. David Bittleston and Mark Pengelly are delighted to have been elected to represent the new Mount Hermon ward and will work hard to justify the trust you have placed in them. Of course, we are sad to lose Carl Thomson after six years as a councillor. Carl has worked tremendously hard in Mount Hermon East and achieved great results for residents there in his time representing them.

The new ward encompasses different areas and challenges. Ensuring that new town centre developments are appropriate is very important and your Conservative team will continue to do that. We will also work on improving Victoria Arch and the Railway Station, and make sure that south Woking reaps the rewards of the broader redevelopment of the borough. Parking issues also remain a big issue in Mount Hermon and your Conservative councillors will work to find solutions. Please get in touch using the details below.
